

Certificate

Zoltán Jánosy

has been appointed by TEQ as a

Qualified Trainer for Bosch TQ Seminars

This refers to Bosch TQ 002, 003, 006, 017, 038 and 039.

Zoltán Jánosy successfully attended a TEQ TtT-training based on the related Bosch booklets and training material. His competency has been proven by fulfilling requested preconditions, passing a written test and presenting a selected training sequence.

This certificate will be valid until April 21, 2013.

Weinheim, April 21, 2011
